

**APRESENTAÇÃO DE
RESULTADOS** | **4T21 e 2021**

As informações consolidadas foram preparadas de acordo com as normas da CVM e estão em conformidade com as normas internacionais de contabilidade (IFRS) emitidas pelo International Accounting Standards Board (IASB).

As informações operacionais e financeiras são apresentadas com base em números consolidados em Reais (R\$). Os dados não financeiros tais como volume, quantidade, preço médio, cotação média em reais não foram objeto de exame dos auditores independentes.

Algumas afirmações contidas neste documento podem ser sobre expectativas futuras. Tais afirmações estão sujeitas a riscos conhecidos e desconhecidos e incertezas que podem fazer com que tais expectativas não se concretizem ou sejam substancialmente diferentes do que era esperado. Estes riscos incluem, entre outros, modificações na demanda futura pelos produtos da Companhia, modificações nos fatores que afetam os preços domésticos e internacionais dos produtos, mudanças na estrutura de custos, modificações na sazonalidade dos mercados, mudanças nos preços praticados pelos concorrentes, variações cambiais, mudanças no cenário político-econômico brasileiro, nos mercados emergentes e internacional.

**EARNINGS
PRESENTATION** | **4Q21 and 2021**

The financial statements were prepared in accordance with the rules of the Brazilian Securities and Exchange Commission (CVM) the International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB).

Adjusted metrics, excluding non-recurring events, are also provided for better comparability. Non-financial information, such as volume, quantity and average price in reais, were not examined by the independent auditors.

Certain statements contained in this document may be forward-looking statements. Such statements are subject to known and unknown risks and uncertainties that could cause such expectations not to materialize or to differ materially from what was expected. These risks include, among others, changes in future demand for the Company's products, changes in factors that affect the domestic and international prices of the products, changes in the cost structure, changes in the seasonality of the markets, changes in prices charged by competitors, exchange rate variations, changes in the Brazilian political-economic scenario, in emerging and international markets.
