# AVISO GERAL

Esta apresentação inclui ou pode incluir considerações e declarações acerca do futuro que foram baseadas em fatos históricos e refletem as expectativas e objetivos da administração da Syn. Tais considerações envolvem riscos e incertezas e, portanto, não constituem garantia de resultados futuros. Os resultados futuros da Syn podem diferir, de forma relevante, dos resultados apresentados devido a vários fatores importantes, dentre outros: conjuntura econômica, política e de negócios do Brasil (especialmente nos locais onde os empreendimentos da Syn estão localizados); sucesso em implementar a estratégia de negócios e o plano de investimentos da Syn; capacidade de obter equipamentos/fornecedores sem interrupção e a preços razoáveis; concorrência; riscos associados à incorporação imobiliária, construção, locação e venda de imóveis; risco de não receber os resultados das subsidiárias (na qualidade de companhia holding); riscos regulatórios; risco de não desenvolvimento de um mercado ativo e líquido para as ações da Syn; e outros riscos atuais ou iminentes, conhecidos ou não pela Syn.

As informações e dados estatísticos relativos ao mercado de atuação e participação de mercado da Syn, inclusive previsões de mercado, foram obtidos por meio de levantamentos internos, pesquisas de mercado, informações públicas disponíveis, publicações setoriais, consultorias independentes e órgãos governamentais.

A Syn não é responsável por decisões de investimento tomadas com base nas informações contidas nesta apresentação. Esta apresentação não deve, em nenhuma circunstância, ser considerada uma recomendação de compra de ações de emissão da Syn. Ao decidir adquirir ações de emissão da Syn, potenciais investidores deverão realizar sua própria análise e avaliação da condição financeira da Syn, de suas atividades e dos riscos decorrentes do referido investimento.

A low-angle, upward-looking shot of a modern, curved glass building. The building's facade is composed of large glass panels that reflect the surrounding cityscape, including skyscrapers and buildings. The building's structure is characterized by thick, dark, curved bands that create a sense of depth and movement. The sky is a clear, light blue, and the overall lighting is bright, suggesting a sunny day. The building's reflection in the glass is sharp and detailed, showing a dense urban environment.

RESULTS  
2024

# DISCLAIMER

2024

This Presentation includes forward-looking statements, which are based upon historical data and reflect expectations and objectives of the Management. Such statements involve risks and uncertainties and, therefore, are not guarantees of future performance. Syn's future results may differ substantially from the results presented herein due to various important factors, among others: general economic, political and business conditions in Brazil (especially in the areas in which Syn operates); success in the implementation of the Company's business strategies and investment plans; capacity in obtaining equipment/suppliers without interruption and at predictable prices; competition; risks associated to real estate development, construction, leasing and sales; risk of non-achievement of results from Syn's holding company and subsidiaries; regulatory risks; risk of non-development of an active and liquid market for Syn's shares; and other current or imminent risks, either already known or not, by Syn's Management.

The information and statistical data related to the industry overview and market share of Syn, including market forecast, were obtained through internal investigations, market researches, available public information, publications of the industry, independent consults and governmental bodies and agencies.

Syn is under no circumstances responsible for investment decisions made based on the information contained in this Presentation (material or speech) or any other support materials handed out or shown during the Presentation. This Presentation shall not be considered a recommendation of purchase of the Company's shares. When deciding to acquire shares issued by Syn, potential investors may undertake their own search efforts and analysis of the operational and financial conditions of Syn, and of the risks involved in such decision.
