Aviso Legal

Este documento pode conter certas declarações futuras e informações relacionadas à Companhia que refletem as visões atuais e/ou expectativas da Companhia e de sua administração com respeito a sua performance, seus negócios e eventos futuros. Declarações prospectivas incluem, sem limitação, qualquer declaração que possua previsão, indicação ou estimativas e projeções sobre resultados futuros, performance ou objetivos, bem como palavras como “acreditamos”, “antecipamos”, “esperamos”, “estimamos”, “projetamos” entre outras palavras com significado semelhante. Embora a Companhia e sua administração acreditem que tais estimativas e declarações prospectivas são baseadas em premissas razoáveis, elas estão sujeitas a riscos, incertezas e eventos futuros e são emitidas à luz de informações que estão atualmente disponíveis. As eventuais declarações prospectivas se referem apenas à data em que foram emitidas, e a Companhia não se responsabiliza por atualizá-las ou revisá-las publicamente após a distribuição deste documento em virtude de novas informações, eventos futuros ou outros fatores. Os investidores devem estar cientes que diversos fatores importantes fazem com que os resultados efetivos diferenciem-se de modo relevante de tais planos, objetivos, expectativas, projeções e intenções expressadas neste documento.

Em vista dos riscos e incertezas supramencionados, as circunstâncias e eventos prospectivos discutidos neste documento podem não ocorrer, e os resultados futuros da Companhia podem diferir significativamente daqueles expressos ou sugeridos nessas declarações prospectivas. Declarações prospectivas envolvem riscos e incertezas e não são garantias de eventos futuros. Portanto, os investidores não devem tomar nenhuma decisão de investimento com base nas declarações prospectivas eventualmente aqui contidas.

O mercado e as informações de posição competitiva, incluindo eventuais projeções de mercado citadas ao longo deste documento, foram obtidas por meio de pesquisas internas, pesquisas de mercado, informações de domínio público e publicações empresariais. Apesar de não termos razão para acreditar que qualquer destas informações ou relatórios sejam imprecisos em qualquer aspecto relevante, não verificamos independentemente da posição competitiva, posição de mercado, taxa de crescimento ou qualquer outro dado fornecido por terceiros ou outras publicações da indústria. A Companhia não se responsabiliza pela veracidade de tais informações.

Certas porcentagens e outros valores incluídos neste documento foram arredondados para facilitar a sua apresentação. As escalas dos gráficos dos resultados podem figurar em proporções diferentes, para otimizar a demonstração. Dessa forma, os números e os gráficos apresentados podem não representar a soma aritmética e a escala adequada dos números que os precedem, e podem diferir daqueles apresentados nas demonstrações financeiras.

As informações trimestrais foram preparadas de acordo com as Normas Internacionais de Relatórios Financeiros (IFRS16), de acordo com as práticas contábeis adotadas no Brasil (BR GAAP) e apresentados aqui de forma ajustada pelos efeitos não recorrentes descritos no release.

Resultados 3T22

Luiz Novais, CFO

Destques 3T22

Inflexão na trajetória de rentabilidade e aceleração do crescimento em ambas as bandeiras

PagueMenos

+7,2%
Crescimento SSS
(+8,4% ex-Covid)

8,6%
Margem EBITDA
(+0,7p.p. vs 3T21)

11,0%
Canais Digitais
(+45% de crescimento)

extrafarma

+13,8%
Crescimento SSS
(+13,5% em maduras)

R\$ 474 mil
Venda/Loja/Mês
(+17,1% vs 3T21)

Importantes avanços
na Integração
(Abastecimento, sistemas e organograma)

Vendas Pague Menos

Aceleração no ritmo de crescimento mesmas lojas, apesar de exposição regional menos favorável.

CRESCIMENTO MESMAS LOJAS (SSS) (variação %)

 Testes Covid  ex Testes Covid

SSS EX-TESTES COVID POR REGIÃO (variação % - 3T22 vs 3T21)

Vendas Extrafarma

Disclaimer

This document may contain certain forward-looking statements and information related to the Company reflecting current views and/or expectations of the Company and its Management concerning its performance, businesses and future events. Forward-looking statements include, without limitation, any statement that has a forecast, indication or estimates and projections of future results, performance or objectives, as well as words such as "we believe", "we anticipate", "we expect", "we estimate", we project "among others words with similar meaning. Although the Company and its management believe that such forward-looking estimates and statements are based on reasonable assumptions, they are subject to risks, uncertainties and future events and are issued in the light of information that is currently available. Any forward-looking statements refer only to the date on which they were issued, and the Company is not responsible for updating or revising them publicly after the distribution of this document due to new information, future events or other factors. Investors should be aware that a number of important factors cause actual results to differ materially from such plans, objectives, expectations, projections and intentions expressed in this document.

In view of the aforementioned risks and uncertainties, the prospective circumstances and events discussed in this document may not occur, and the Company's future results may differ significantly from those expressed or suggested in these forward-looking statements. Forward-looking statements involve risks and uncertainties and are not guarantees of future events. Therefore, investors should not make any investment decision based on the forward-looking statements that may be contained herein.

Market and certain competitive position information, including market projections mentioned herein were obtained from in-house surveys, market researches, public information and business publications. Although we have no reason to believe that any of this information or these reports are inaccurate in any material respect, we do not independently verify market position, growth rate competitive position or any other data provided by third parties or other industry publications. The Company is not responsible for the accuracy of such information.

Certain percentages and other amounts included in this document have been rounded up to facilitate your presentation. The scales of the graphs of the results can appear in different proportions, to optimize the demonstration. Accordingly, the numbers and graphs presented may not represent the arithmetic sum and the appropriate scale of the numbers that precede them, and may differ from those presented in the financial statements.

The quarterly information was prepared in accordance with International Financial Reporting Standards (IFRS16), in accordance with accounting practices adopted in Brazil (BR GAAP) and presented here adjusted for the non-recurring effects described in the release.

3Q22 Results

Luiz Novais, CFO

3Q22 Highlights

Inflection in the profitability trajectory and acceleration of growth in both banners

PagueMenos

+7.2%
Same Store Sales
(+8.4% ex-Covid)

8.6%
EBITDA Margin
(+0.7p.p. vs 3Q21)

11.0%
Digital Channels
(+45% growth)

extrafarma

+13.8%
Same Store Sales
(+13.5% mature stores)

R\$ 474k
Avg. Sale per Store/Month
(+17.1% vs 3Q21)

**Important advances
in Integration**
(Supply, systems and
organizational chart)

Pague Menos Sales

Acceleration in the pace of same store sales, despite less favorable regional exposure

 **SAME STORE SALES (SSS)**
(Variation %)

 **SAME STORES SALES EX-COVID BY REGION (SSS)**
(Variation % - 3Q22 vs 3Q21)

Extrafarma Sales

Strong acceleration, confirming the growth potential of average sales per store

Market Share

Extrafarma acquisition place us in an even more relevant position in the North and Northeast regions

SHARE¹ BY REGION
(% total market)

GEOGRAPHIC DENSITY INDEX
(Qty stores / Qty municipalities)

Source: IQVIA
¹ Considers Extrafarma market share for the full quarter on 3Q22

Sales Mix

Another quarter with favorable sales mix evolution in Pague Menos and great opportunity in Extrafarma for RX and private labels

PAGUE MENOS (% of total sales)

EXTRAFARMA (% of total sales)

PRIVATE LABELS (% of total sales)

 Services  Generics  H&B  OTC  RX

 **Pague Menos**

 **Pague Menos**

 **extrafarma**

Gross Profit and Margin

Positive evolution in margin at Pague Menos combined with advancement of digital channels, agreements and partnerships; great opportunity at Extrafarma / Consolidated
